

Internet Permission Form

Student Rules for Online Safety

Grade levels 1-8

- I will not use the school computers without direct supervision or permission of my teacher.
- I will not go online unless I am under the direct supervision of my teacher.
- I will not download any materials, files, or programs without direct permission from my teacher.
- I will not key in the address of any website unless it is by direct command of the teacher. Allowable websites are found on the Internet Links of the St. Paul School homepage.
- I will not access any pop-up advertisements that are linked to websites.
- I will immediately report any undesirable Internet materials to my teacher, especially if they are noted on the History or address bar.
- I will not use the Internet to access any email provided by a Web-based source (Hotmail, Yahoo, etc...).
- I will not damage computers by introducing food or drink to the lab, using ink or any other form of permanent markers on the computer hardware and accessories, or attempt to repair computer hardware and accessories.
- I will cite all Internet resources when writing reports or documents.
- I will not violate copyrighted materials, whether it is written work or graphic design.
- I will be a good online citizen and do nothing that will hurt other people, reflect negatively on St. Paul Lutheran School, or be displeasing to my Lord and Savior, Jesus Christ.

Student Signature _____ Date _____

I have read and discussed this Internet Permission Form with my child and grant permission for him/her to access the Internet abiding by these rules.
