Anchored in Christ

Hebrews 6:19

Burying The Past

Would you try to run a race carrying a weight? Yet we try to live the Christian life while we carry a burden of sin and guilt. The Bible says, "Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us." (Hebrews 12:1) We want to deal with those burdens. This lent, let us lay the past to rest so we can have a fresh start as we move into the future. We celebrate our history and how God has led us to where we are, but we also want to deal with those things that will hold us back. Our theme during this penitential time of Lent will be focusing on identifying what we need to bury from the past so we can confess our sins and move forward in forgiveness. --- Pastor Foss
