From the Principal:

Dear Families,
Thank you for a great start to the school year! The students are adjusting being back to school and we have a busy Fall with sports and activities. Our mid-quarter is next Friday, September 15th, time is flying!
We had our first Fire Drill of the school year, the teachers and students did a great job!

Hurricane Harvey has left a devastating path of destruction. Our school has chosen to help out through the Lutheran Education Association of Houston. The students can make a donation to wear a hat on Friday, Sept. 8th and dress down for Chapel on Wednesday, Sept. 13th. If you would like to donate to help them recover and rebuild from the impact of Hurricane Harvey, you can give your donations to St. Paul School or go directly to LEAH's website at:
form.jotformpro.com/72395416284967.

Please continue to pray for all that have been affected by the storm.

IN The Classroom

Little Giants: This week, we have been busy working on writing our names. We are still learning "school rules." We are doing great walking quietly in the hall. We even have teachers in older grades complimenting us! Remember to send a lightweight jacket for recess.

Keown: Please check your child's zipper pouch for the September newsletter going home today. (Full of) important information, including Letter-of the Week, Featured Friends and other great "stuff".

Kocher: We are quickly learning the rules of preschool and are making new friends. Next week we will start "All About Me" and the Letter "A". How exciting for us as we get into our first theme of the year!! Remember to bring your 3 Favorite things on Monday and Tuesday.

LaBruyere: We are learning our first sight word "the" this week. Look for a reading book to come home Friday. Have your child read it to you, and then you sign it and return on

Monday. These will come home every week from now on.

Sherrill: Mark your calendar for Saturday, September 16, for the Octoberfest Activities. There will be fun games and activities, great food and music throughout the day. The God Made Me Special pages were enjoyed when students shared them as a joint Jesus Time and Social Studies project.

Dischbein: Centers are tomorrow, we could use a few more helpers, and set up begins at 12:30. We are also looking for helpers to sign up and work at Oktoberfest, Sept. 16th, in the bouncy house. Time slots are from 10 to 5, if you can help let me know.

Begley: Thank you, parents for all of your help and patience as we have nearly settled into second grade! We are still polishing our routines and study habits, and we are improving every day! We will be sending home our "All About Me" posters to be completed and returned by Monday, September 25th. We will have them hanging up for Grandparents' Day on September 29th! God's continued blessings!

Bieser: We have had fun learning about the planets, but now it is time to move on to the continents. I am looking for 4 volunteers to help with games at Oktoberfest. The shifts are at various times. Let me know how you can help!

Dickinson: Don't forget to study for the Science Test on Friday. We are in the full swing of things and doing great.

Holtz and Thomas: In addition to our weekly classroom newsletter, please check our "bulletin board" or "planner" pages on Fast Direct for important information and dates for our classrooms. Have a great weekend!
