ST. PAUL LUTHERAN HOME OF THE GIANTS

Welcome St. Paul Family and Friends,

On behalf of St. Paul Lutheran School, I would like to thank you for spending the evening with us. Your commitment to strengthening our school community is sincerely appreciated.

Each year St. Paul Lutheran School continues to advance its mission to provide a Christ-centered education, where students are prepared spiritually and scholastically for their future.

Our school has enjoyed great success in the past year. God continues to bless St. Paul by providing us with great facilities, fabulous faculty, and phenomenal supporters to continue His mission. God has charged us with the responsibility and opportunity to empower children with knowledge, creativity, and love for Him.

Your support here tonight helps raise funds to support our music, art, PE, drama and technology programs. These programs contribute to cognitive function and improved test scores in math, language, reading and other academic subjects. They are vital to supporting our mission to educate God's children spiritually and scholastically.

I want to express a special thank you to the many people who have worked countless hours to make this an amazing event tonight. They work hard and passionately for our students' benefit. Have a fun evening and Praise God for His blessings upon us all!

Thanks again for your generous support!

Mr. Dustin Murray

Craig Thomas Scholarship

During the LIVE Auction this evening, St. Paul Lutheran School will be asking for donations to the Craig Thomas Scholarship Fund.

These funds provide tuition assistance to families who wish to send their children to St. Paul Lutheran School, but who would otherwise not be able to attend due to financial limitations. Please consider contributing to this scholarship in order to provide a child the opportunity to receive a quality Christ-centered education.

Craig Thomas was an alumni of St. Paul Lutheran School. He was a man of strong faith and had a true servant heart. He believed that every child should have the opportunity to attend this school.

Our students try to uphold character traits that remind us of Craig. The character traits are displayed throughout our classrooms and hallways, each attached with a Bible verse. The traits include Respect, Acceptance, Faithfulness, Generosity, Servanthood, Perseverance, Love, Encouragement, Honesty, and Leadership.

Silent Auction Rules

The silent auction begins at 4:30pm. Each Silent Auction room will have a name and closing time on the door for your reference. All items in the Silent Auction have a bid sheet attached to the table in front of them. Persons wishing to bid must do so by writing ALL information on the bid sheet.

All items may be bid on until the various Silent Auction Room door closes. Watch for closing times posted on each Silent Auction Room door. The closing announcements will be made on the PA system. No bids may be entered after the specific announcement has been made for each particular room. Official Room Monitors will close each room.

Each new bid must increase the amount of the previous bid by at least \$1.00, or the bid is void. No bid may be cancelled once it is entered.

When the Silent Auction is completely closed, a listing of your winning Silent Auction bids will be delivered to you at your table in the form of a preliminary sales invoice. A final sales invoice will be provided to you, in line, prior to the cashier's table after the Live Auction.

Silent Bid Box Rules

We will have Secret Bid Boxes in many of the Silent Auction rooms. If you don't feel like checking in on those "must-have" items that you are keeping your eye on in those rooms, you can simply fill out a Secret Bid Sheet with the amount that you would like to spend and move on.

Fill out the blank bid sheet provided next to the Secret Bid Box in the classroom. Please write legibly and be sure to include your: Name, Bid#, Item #, and Your top Bid amount.

Place the sheet in the box. If your bid amount on the secret bid sheet is higher than the price on the sheet on the table, you WIN the item!

If there happens to be a tie, we will locate both bidders in the gym and give you a new blank bid sheet to fill out. You then have the option to write the same price or raise your bid. You must be present to bid in the case of a tie.

Live Auction Rules

The Live Auction will begin at 7:30pm in the gymnasium, following dinner and will continue until all items have been sold.

Please show your bid number located on the bid card inside your auction booklet when bidding. Let the spotters see that you wish to make a bid. When items are purchased jointly by multiple bidders, the item will be charged to only one bid number.

All sales are final per the auctioneer's discretion. The FINAL invoice for all Silent & Live Auction items will be given to you, in line, prior to the cashier's table.

Raise those bid cards high and enjoy!

Checkout Procedures

The cashier's table will NOT be open for checkout until the conclusion of the Live Auction. Payment in full may be made tonight, or Sunday, May 1, 2022, between 10:30am and 1:00pm by cash, check, or credit card.

After the sales invoice is marked PAID, present it to the attendant in the pick-up area to collect your items. No item may be removed before the auction has ended. Please be sure to pick up any certificates for items or services not physically present or displayed.

All items not taken this evening must be removed Sunday, May 1, 2022, between 10:30am and 1:00 pm. Buyers must make their own arrangements to pick up and transport items.

ALL sales are final. No exchanges or refunds.
